v.

Toledo-Lucas County Public Library

3:08 CV 148

Judge Carr

Plaintiff's ADDENDUM to his MOTION – REQUEST for appointment of Counsel-Attorney.

Plaintiff was not aware that support should be presented regarding his MOTION for appointment of Counsel – Attorney, and asks the pardon of the court in that regard.

Previous to making his request in this matter, Plaintiff contacted the following:

- The legal clinic at the University of Toledo law school (regarding the state lawsuit)
- ACLU attorney Jeff Gamso (regarding both this case and the prior)
- The Toledo Bar Association
- Plaintiff went to a 'legal evening' at the Warren AME church
- Plaintiff called an attorney listed in the yellow pages of the phone book under 'Civil Rights'; I was told the attorney needed cash up front for fees & costs.

In each of the above, Plainitff was unable to secure representation.

FURTHER:

Accepting Mr. Borell's assessment that this case – matter is not complex, Federal rules & procedural matters are, and unknown and written in terms-language not fully understood to Plaintiff.

Plaintiff repeats his Motion – Request that an attorney be appointed by the court to act on my-his behalf.
